GALACTIC SIPS

ANTARES £15

A smoky cosmic blaze where Ardbeg's fire meets Chambord's dark-berry stardust. Lifted by pineapple juice for a supernova burst of sweetness.

VENUS £20

A sultry orbit of Brugal spiced rum and tropical mango swirling with citrus light. Finished with a fiery tabasco spark and a candied chilli comet tail.

GALACTIC POUR £15

A celestial pear constellation shaped by Belle de Brillet and velvet port. Cinnamon warmth and pomegranate nebula hues glide through the cosmos.

EARTH £15

Grounded yet galactic — Scotch depth collides with cosmic blue and vibrant berry tones. A bold planetary harmony of pomegranate and dark-fruit Chambord.

SATURN £15

A bright ring of citrus where gin and orange revolve in perfect harmony. Soda stardust lifts the orbit into a crisp, effervescent spin.

COSMIC CHILL £15

An interstellar wave of coconut frost and blue-hued tropical spirits. Creamy, cool, and drifting like a starship through frozen nebulae.

LUNAR ECLIPSE £20

A shadowy blend of Macallan and bitters eclipsed by rich caramel gravity. Dark, smooth, and as mysterious as the night-side of the moon.

SUPERNOVA £20

A tequila-bright explosion illuminated by elderflower starlight. Grapefruit rays and sparkling Perrier-Jouët create a radiant cosmic burst.

MARTIAN MARTINI £15

Alien-green sweetness with Midori and mango swirling in zero-gravity fruit fusion. A citrus-kissed landing capped with a zesty lemon-sherbet rim.

NEBULAR NOIR £15

A dark cosmic cloud of guava, rum, and passion fruit drifting with streaks of mango light. Black shimmer and edible glitter give it the glow of a deep-space nebula.

INTERSTELLAR £15

A stellar alliance of Rémy VSOP and crisp apple drifting through a lime-bright galaxy. Blackcurrant dark-matter syrup anchors the journey with rich cosmic depth.
